WORKING FOR BUSINESS AND WITH THE COMMUNITY

REGENERATION / INWARD INVESTMENT MEETING 14th SEPTEMBER 2010

Over the last two years the Business Association has undertaken a review of its position within the community and has endeavored to introduce new initiatives to help develop and sustain the local economy and promote Brightlingsea 'Open for Business'.

To this end we have taken steps to help fill our empty shops, encouraging people to use Brightlingsea and its services and promote the town for people to visit us and take advantage of the facilities on offer.

We now would like to try and take our plans forward with the involvement of both the Town and District Councils and have, therefore, arranged a meeting on 14th September at the Parish Hall, Victoria Place, starting at 6pm.

At the meeting there will be representatives from the Business Association, Brightlingsea Town Council and Rachel Fryer the Town Centre Coordinator for Tendring District Council who will be very interested to hear your views and suggestions on how we can improve the town and waterside.

In these times of economic uncertainty we believe that everyone in the business community should come together to help try and ensure the sustainability of our town as a whole and would, therefore, encourage you to come along to the meeting to offer your opinions on how this can be achieved. **Please advise if attending for catering purposes.**

Brightlingsea Business Association
